Privacy Policy

What Information is Collected?

CalaverasCAP.com (hereinafter referred to as “the website”) does not collect or record your IP Address.

The website does not utilize “cookies” or otherwise put any information or any computer code on your computer.

Information is collected from you only if you choose to include it in any email you send us by clicking the “contact us” link on the website.

How Do We Protect Your Information?

If you choose to be included in our email list, your information will be maintained on a password protected database on a local computer, and on the server, which is owned by Goldrush World Access, Angels Camp, CA. Your email address and any other information you share with us will not be transferred, sold, or otherwise communicated to any third part for any reason without your prior consent.

Third Party Links

The website may contain links to other websites not associated with CalaverasCAP.com. These third party websites have separate and independent privacy policies and neither the Community Action Project, nor its associates, nor its Board of Directors or Staff, assumes any liability or responsibility for them.

Changes to This Privacy Policy

We reserve the right to change this policy.

However, if we do decide to change our privacy policy, the changes will be noted on the website prior to their taking effect.
